Famous Blackjack Cheater & Author to Appear at Casino Collectibles Show

Dustin Marks demonstrates how he cheated casinos for millions in the 1980s as part of the *World's Largest Casino Collectibles Show* in Las Vegas

LAS VEGAS (March 15, 2022) — 35 years ago, Dustin Marks dealt blackjack and cheated the casinos out of millions of dollars – and never got caught. Today the casino consultant and book author shows

people how he ripped-off casinos in the days before shuffling machines and card shoes. Marks will demonstrate his successful blackjack swindling moves, undetectable sleight of hand actions and share his stranger-than-truth stories to delight those attending the World's Largest Casino Collectibles Show. He will have two live demonstrations at the [Casino Collectibles Association](#)'s 29th annual show on Saturday, June 18, 2022, at the South Point Casino in Las Vegas. The presentations are scheduled for 10 a.m. to 12 p.m., and again from 1 p.m. to 3 p.m. The show is open to the public, and admission to the show is free this

day.

Back when blackjack was only dealt by hand, Dustin Marks was a blackjack dealer at several well-known casinos in Las Vegas. He decided to turn card manipulation and misdirection he mastered as a magician into a more lucrative pursuit and became one the most successful blackjack cheaters in history. For four years he and his partners carried out schemes netting as much as \$150,000 a night. Then Marks did the smart thing – he retired early to enjoy his financial success. To share his experiences, Marks has written several well-known books, including *Cheating at Blackjack* and *Cheating at Blackjack Squared*. He also consults with casinos on protecting the game of blackjack.
